SUMMARY

I am a very avid sportsman that has over the years developed a true passion for crappie fishing. I have well over 30 years of experience and many more years to come. I am looking for an opportunity to gain a working partnership or sponsorship with your company. In this position, I would be an ambassador for your company and products. As a member of your team I would represent your company at upcoming events and tournaments in the very best professional and positive sportsman like manner. I would very much enjoy the opportunity to help develop and refine new products and ideas that will ensure the continued growth and financial success of your company. I enjoy the opportunity to promote the enjoyment of being outdoors as a great way for families to come together and most importantly to build lasting memories with my children and others.

PERSONAL

I was born on July 17, 1977. I have been married for 15 years to my loving wife Donna and have 3 kids. My wife and youngest daughter Madyson enjoy fishing with me whether it be on the bank of the lake or in our boat. They have been active in my fishing tournaments, assisting in weigh-ins, and release of fish. Madyson has fished with me in numerous tournaments including the Kid's Fishing and Education High School tournament, Jack and Jill Cancer Benefit tournament, Bass Pro Crappie Masters Big Fish tournament and local tournaments.

WORK HISTORY

I have worked numerous jobs since I was 14 years old including a family owned general store, janitorial assistant during High School, sales, roofing and storage/shipping department and military. My plan is to start my own guide services to continue to do what I love to do, fishing and teaching people to fish.

EDUCATION

I attended the Community College of the Air Force and earned an Associates in Information Systems Technology. I am continuing my education towards a Bachelor's degree in Business Management.
