Tournament Crappie Fishing

Top Howard Fishing Team Resume

Top Howard fishing team currently utilizes a 2015 Nitro Z9 boat with a Minn Kota ULTREX trolling motor, Humminbird electronics, and Power Pole shallow anchors.

SUMMARY: Top Howard Fishing Team is a dynamic, up and coming husband and wife team that not only fishes competitively, but also runs three successful companies together. They enjoy the challenges of crappie fishing and the satisfaction of a good day out on the water. Top Howard Fishing takes each and every sponsorship seriously and will actively promote your product at every opportunity. Whether it's a logo on their shirt, a wrap on their truck, or the rod and reel in their hands, your gear gets exposure! Eric and Leann actively engage with potential customers at tournaments, through social media, and of course through good old-fashioned word of mouth. With passion for the sport, a positive attitude, and strong communication skills on and off the water, Top Howard Fishing Team has what it takes to be an effective ambassador for your product.

CURRENT SPONSORS:

HH Rod and Reels, Inc. , Foxy Fishing Gear, Crossed Industries, Trapper Tackle, Powerpole, Fish Monkey Gloves, Bobby Garland, TH Marine, Skippers Jigs, Dub-L-Seats, Jiganomics Outdoors and Spike It.

PERSONAL: Eric and Leann have been married since 2012. Eric has one daughter and Leann has two. For Eric, competitive fishing has been a life-long dream that is finally being experienced. When they aren't fishing or working together, they enjoy spending time with their kids and pets and watching college football with friends.

EDUCATION: Eric graduated from Wolfson High School in Jacksonville in 1989. He then attended Florida State College at Jacksonville and Okaloosa Technical College where he earned a degree in business. Leann graduated from Nathan Bedford Forrest High School in Jacksonville, FL in 1991. She continued her education at Florida State College at Jacksonville where she earned a degree in Business Management/Project Management.

WORK HISTORY: Eric served in the Air Force as an Air Combat Controller/Special Ops from 1989-1993. He started EH Property Services upon completion of his military service and has been self-employed ever since. Leann worked as a dental hygienist before joining Eric in running EH Property Services, Inc . and HH Rods.

ANGLING HISTORY: Top Howard Fishing Team members Eric and Leann both began fishing when they were kids. Growing up in Florida provided plenty of opportunities for angling and their love for the sport grew. It wasn't until November of 2015, however, when they were able to turn their dream of fishing competitively into a reality. Ever since their first tournament Eric and Leann are now on the water as much as possible.
